

ID	Conference/ Journal	Year	Title	Poster/ Paper/ Article	Peer reviewed	Invited
1	Aerosol Spray report Vol 31/ No. 4	1992	Metered Dose Aerosol valves- A proven means for reliable drug delivery for now and the future.	Article	Yes	Yes
2	Respiratory Drug Delivery 4	1993	Recent advances in Valve technology for HFA Propellants	Poster	Yes	No
3	Respiratory Drug Delivery 5	1995	Metered Dose Inhaler Metering Valve technology	Poster	Yes	No
4	Respiratory Drug Delivery 5	1995	Metered Dose Inhaler Actuator Technology	Poster	Yes	No
5	Drug Delivery to the lung VII	1996	Development of an Empirical Model for Delivery from a pMD	Paper/ Podium	Yes	No
6	Drug Delivery to the lung VIII	1997	Improvements in Extractables from pMDI elastomer systems	Paper/ Podium	Yes	No
7	Drug Delivery to the lung VIII	1997	Development of a simple dose counting system for pMDI's	Paper/ Podium	Yes	No
8	Drug Delivery to the lung VIII	1997	Characterisation of loss of prime and other thermally driven processes in pMDI's	Paper/ Podium	Yes	No
9	Drug Delivery to the lung VIII	1997	Improving Patient management and Targeted Drug delivery from pMD systems	Paper/ Podium	Yes	No
10	Respiratory Drug Delivery 6	1997	MDI Technology: can it meet the challenges of CFC replacement and Increasing Regulatory Demand	Paper/ Podium	Yes	Yes
11	Indian Pharmaceutical Congress	1997	Innovations in inhalation technology	Podium Presentation	No	Yes
12	IIR conference Drug Delivery technology	1997	Recent and future developments in pMDI Drug Delivery System:	Podium presentation	No	Yes
13	International Society for Aerosols in Medicine Conference	1997	Developing pMDI based delivery systems for the next millennium.	Poster/ Presentation/ Abstract	Yes	No
14	International Society for Aerosols in Medicine Conference	1997	Defining the mechanisms of Loss of Prime in pMDI systems.	Poster/ Presentation/ abstract	Yes	No
15	Indian Pharmaceutical Conference	1998	Current trends in pharmaceutical inhalation technology	Podium presentation	No	Yes
16	Drug Delivery to the lung IX	1998	Interpretation of Pharmacopoeial guidelines: realistic and robust protocols.	Paper/ Podium	Yes	No
17	Drug Delivery to the lung IX	1998	Devices to assist patient co-ordination with pMDI's a review	Paper/ Podium	Yes	No
18	Drug Delivery to the lung X	1999	Determination and improvement of patient's co-ordination with pMDI's	Paper/ Podium	Yes	No
19	Respiratory Drug Delivery 7	1999	Implementing Viable controls on Extractables- The regulatory Demands for Novel techniques	Paper/ Podium	Yes	Yes
20	Management Forum Pressurised Inhalers	1999	New valve choices for HFA's	Podium/ slides	No	Yes
21	International Society for Aerosols in Medicine Conference	1999	Determination and Improvement of patient's co-ordination with pMDI's	Presentation	Yes	No
22	Drug Delivery to the lung XI	2000	Systemic delivery from pressurised inhalation systems. How large are the hurdles?	Paper/ Podium	Yes	No
23	Drug Delivery to the lung X	2000	Viable control and monitoring of Extractables and Leachables in Inhalation Products	Paper/ Podium	Yes	No
24	Respiratory Drug Delivery 8	2001	Correlation of Extractables and Leachables from Marketed pMDI's	Paper/ Podium	Yes	Yes
25	41st annual conference on Pharmaceutical Analysis	2001	Challenges with pMDI Packaging (a technologists view)	Podium presentation	No	Yes
26	RDD Europe	2005	DEVICE DMF's: WHAT SATISFIES THE FDA?	Invited Podium presentation	Yes	Yes
27	Association of Inhalation Toxicologists Silver Jubilee Conference	2006	New delivery technologies: MDI's	Invited Podium presentation	No	Yes
28	Association of Inhalation Toxicologists Conference	2007	Container closure systems for pMDI's; 20th century technology, 21st century expectations.	Invited Podium presentation	No	Yes
29	Pharmaceutical Industry Advanced Training (Manchester University)	2007/ 8	Inhalation dosage forms MSc module	Invited publication	Yes	Yes
30	Establishing the need and setting the specification (for DPI design)	2008	Management Forum Workshop on Designing Dry Powder Inhalers	Invited presentation	No	Yes
31	How do you design a Dry Powder Inhaler?	2008	Management Forum Workshop on Designing Dry Powder Inhalers	Invited presentation	No	Yes
32	If you want to get there, I wouldn't start from here. "From device concept to Market - How difficult can it be?"	2009	Management Forum Nasal Drug Delivery	Invited presentation	No	Yes
